

IQVIEW E4521

INTERACTIVE **4K** DOCUMENT CAMERA
WITH 10X OPTICAL ZOOM

IQView E4521 is a versatile, compact and portable document camera, with IQView Micro-lecture Making software to realize additional interactivity, video/audio recording, free annotation and writing. It is perfect for displaying high-definition physical content to students whether they are in-class, remote, or a combination of both.

Matrix Switch

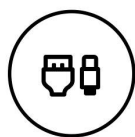

Folding Design

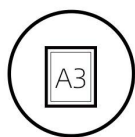

4K Camera

10x Optical Zoom
10x Digital Zoom

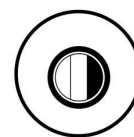

HDMI&USB
Dual Stream

A3 Shooting Area

Built-in Mic

3-level
Adjustable Light

4K Cam & 10x Optical Zoom

The 8 megapixel camera puts out 4K video and the 10x optical zoom showcases vivid details and unparalleled clarity of documents or physical objects to students.

Extra Large Coverage

The camera supports the lens with 90 degrees rotation and A3 size shooting range, which allows you to capture and share large documents and objects like never before!

Easy Connectivity for Display

Connect with the plug and play simplicity of HDMI, USB and VGA outputs to any classroom displays, such as an interactive flat panel, projector, interactive whiteboard, or computer.

Dual Image Output

Allow users to output the dual images simultaneously to the display devices.

Matrix Switch

Integrating matrix switch module, the visualizer makes it easy to switch the images in real time from three input sources such as courseware, physical object demonstration, and more.

Extremely Compact Design

With its fully folding and compact design, the 4k doc cam is suitable for space-constrained classrooms. You can easily store or take it away to anywhere in a school.

Interactive Whiteboard Access

E4521 visualizer provides multiple ways to access the powerful interactive whiteboard software for your education enhancement.

Connect HDMI Out to the display, and the mouse to USB port for built-in whiteboard software access.

Use IQView Micro-Lecture Making software through the connection of USB port to PC.

Model	E4521
Resolution	8.0MP
Sensor Pixel	1/2.8" Sony CMOS
Frame Rate	30fps
Zoom	10x Optical Zoom 10x Digital Zoom
Focus	automatic / manual
Shooting Range	A3
Device Structure	Folding, support for multi-angle shooting, the lens body rotates 90 degrees left and right
HDMI Output	4K, 1080P
VGA Output	1080P
Record Output	3840*2160P@20fps(Max), 1080P@30fps
USB Output	3840*2160 @ 15fps, 1080P@30fps
Image Adjustment	Brightness, sharpness, contrast, saturation
Image Trick	Freeze, Mirror, B&W/Color, Text, Image, On-Screen Contrast, Picture-in-Picture, etc.
LED Light	3-level adjustment
Interface	VGA(Input*1 & Output*1), HDMI (Input*1 & Output*1), USB*1, USB Mouse
TF Card Storage	Maximum support 32G
Native Annotation Function (by mouse operation)	Real-time annotation, auto focus, zoom in, zoom out, photo, video, video playback, on-screen comparison, picture-in-picture, freeze, title freeze, rotate, image, text and other functions
Button	Power, Switch, Rotate, Light, Zoom In&Out, Brightness Up&Down, AF
Infrared Remote Control	Yes
MIC	Yes
Power Supply	DC 12V
Size	Folded: 373.5*110*160mm Expanded: 448*385*160mm
Weight	2.8kg
