

WIRELESS MAC MOUSE

TWO-IN-ONE WIRELESS MOUSE (BLUETOOTH AND USB)

Combine elegance and performance!

With a smooth, sculpted design and a metal wheel, your new mouse pairs is perfect tool for your PREMIUM computer like MAC.

This mouse is equipped with DUAL Connect wireless technology:

1. Wireless USB Dongle: Plug the USB dongle into your computer and enjoy a 100% plug and play connection, without any installation.
2. Bluetooth: Synchronize your mouse with your computer with the Bluetooth interface. Automatic and discreet connection with 0 dongle!

Navigate two computers with the same mouse. Its button on the back allows you to easily switch between the 2 connection modes.

Its automatic sleep mode helps extend the battery life of your mouse when it remains motionless for a few minutes.

Compatible with any device with a USB port or a Bluetooth connection (Mac, PC, phone).

Combine elegance and performance.
