

## XBOOM Go Portable Bluetooth Speaker with Meridian technology

PL7

Product Sheet

### Meridian Technology Experience the Sound of Excellence

LG XBOOM® GO PL7 with Meridian technology gives you premium quality sound. Hear deep bass and rich tones, when you play music.

### Long Battery Life Play for longer

Up to 24-hour battery life\* gives you the freedom to enjoy your music on-the-go without charging worries.

*\* Battery life is based on using 50% volume and no lighting, and depends on device settings, environment, usage, and other factors.*

### Dual Action Bass Feel Bigger Beats

Passive radiators produce bold beats powerful enough to start a party wherever you go. As the woofers vibrate the flashing ring shaped lights create colourful movement that adds to the party feel.

### IPX5 Splashproof

The PL7 is IPX5 Splashproof which means it's great for outdoor use.

*Splashproof only. Do not submerge device.*

### Multi Colour Lighting Music with added mood

Colorful LED lights vary and change with the rhythm of the beat to add an extra feeling to your music. Use My Style on the XBOOM App\* to easily choose the lighting colour that suits your mood.

*\*XBOOM app available on the Google Play Store and Apple App Store.*
