# doomoo®

## How to refill your doomoo ?

**Step 1 :** Unzip the zipper of the pillow and take out the filled inner bag

**Step 2 :** Use a paperclip to open the zipper of the innerbag

**Step 3 :** Open the zipper

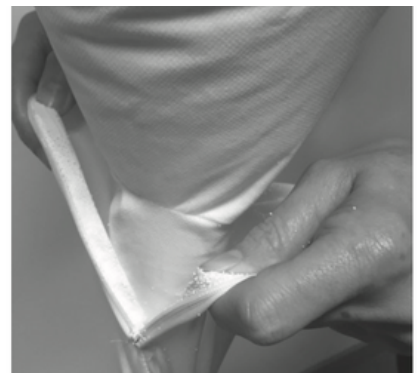

**Step 4 :** Open the innerbag

Warning! Due to static electricity the small microspearls will come out of the bag a bit. Keep your vacuum cleaner closeby.

**Step 5 :** Remove the sticky lable on top of your doomoo refill bag and take out the filling tube.

**Step 5 :** Cut off the top of the doomoo refill bag, just below the stiching.

**Step 5 :** Fill the innerbag of your doomoo by holding the refill bag upside down.
